

# Service Information

## Gallery Wraps

- The edges of the canvas print are finished with white, black or a solid color.
- Mirrored Edges consists of the outer edges of the image being cloned, flipped and repeated to create a continuous image with nothing lost from the face of the print.
- Overflow edges allows the face of the image to overflow the edges of the print.

## Proofing

The proofing price of \$10 on substrate material at approx. 8"x10" size.  
Additional proofing is offered at \$50 per hour plus \$10 per approx. 8"x10" proof.  
If prints are ordered at the time of proofing, the \$10 charge goes toward the first print.

## Varnish of Canvas Prints

This provides additional protection from the elements for your canvas prints at no charge.  
The finish provided by IJ Technologies Black Diamond Eclipse Coating is tough and flexible, contains UV inhibitors and is non-yellowing.

## Certificate of Authenticity

\$3.00 each.

## Mounting and Laminating

Mounting on gatorboard or foamcore is \$.06 per square inch.  
Semi-matte lamination is an additional \$.05 per square inch.  
A minimum of \$35 per order is required for this service.

## Supplied Digital Files

If color correction is required for any image not scanned by Image Quest there will be an additional charge of \$75 per hour, minimum 1/2 hour.

## Substrates

All substrates are acid free and pH neutral. Offered fine art substrates include:  
• matte, glossy and metallic canvases • smooth and textured watercolor papers  
• matte, luster, glossy and metallic resin coated papers.

## Quantity Pricing

Quantity discounts are available for scanning and printing.  
Please contact us for a customized quote and turnaround time.

## Turnaround Time

Turnaround time for scanning is approximately 2-3 business days unless other arrangements have been made in advance. If printing, please allow up to 5 business days for first proof and an additional 5 business days for final print. If prior arrangements have not been made, please inquire about rush charges.
